Falls of the Ohio Interpretive Center Opens New Exhibit

“Prehistory And Archaeology of the Falls of the Ohio Region”

The Falls of the Ohio Archaeology Society gathered artifacts and information from excavations in the region from the 1940's to the present for this very special exhibit. Some of the artifacts have never been shown to the public and it is quite unusual to have so many local sites represented. These sites cover the period from 12,000 years ago to the time of contact with Europeans. The exhibit will be on display in the Interpretive Center at the Falls of the Ohio State Park through August 6th.

All programs and exhibits at the Interpretive Center are free with building admission.

For more information call (812) 280-9970. The Center is open 9 a.m. to 5 p.m. Monday through Saturday and Sundays from 1 p.m. to 5 p.m. Admission to the Interpretive Center is \$4 for adults and \$1 for children age 2 to 18 on Monday through Thursday. On Friday, Saturday, Sunday and holidays admission is \$5 for adults and \$2 for children.
